### **Tonight's Meeting**

#### **Salvo's Street Level – Mitch & Robyn Evans**

#### **Surry Hills, Sydney**

#### **Inner city urban community**

#### **Leaders: Mitch and Robyn Evans**

Streetlevel is in an urban setting in Sydney's Surry Hills. You are on the frontline of mission in the city. Faced with issues of homelessness, addiction, high density living and everything in between.

Streetlevel is a community where people can come, be who they are and find acceptance and inclusion in the city.

Streetlevel has a number of programs and opportunities that you will have access to. You will receive support from the Streetlevel team and connect with the leaders on a regular basis.

We emphasise a holistic approach to social and personal development, by caring for the physical, emotional and spiritual needs of those who live a shared life in this community.

Students become a part of Streetlevel through their time spent in our community centre, faith based activities, church and community programs/outings. Students are rostered into the Streetlevel program as well as having the opportunity to get involved with one off activities or community events.

### **Some Humour**

*A man called home to his wife and said, "I have been asked to go fishing with my boss & several of his friends. We'll be gone for a week. This is a good opportunity for me to get that promotion I've been wanting, so could you please pack enough clothes for a week and set out my rod and fishing box? We're leaving from the office & I will swing by the house to pick my things up" "Oh! Please pack my new blue silk pyjamas."*

*The wife thinks this sounds a bit fishy but being the good wife, did exactly what her husband asked. The following weekend he came home a little tired but otherwise looking good. The wife welcomed him home and asked if he caught many fish?*

*He said, "Yes! Lots of Trout, some Bluegill and a few Barramundi, but why didn't you pack my new blue silk pyjamas like I asked you to do?"*

*The wife replied, "I did. They're in your fishing box....."*
