## **JULY - New Rotary Year Begins** **A Great Deal To Do**

---

### ***Tonight's Meeting***

***Michael Fahey***

### ***THE BAGGY GREEN CAP***

In its early days the Australian cricket cap varied from season to season, tour to tour. But as the young colony developed a unique identity and headed towards Federation at the beginning of the 20th century, the baggy green cap took shape. By the turn of the 21st century it had become a national icon – a symbol of Australian sporting excellence and a highly sought after item of memorabilia. The Baggy Green charts this evolution with reflection from over 50 past and present Test players.

### ***Last Week's Meeting***
