Director **Alexey Prokopenko** – Thanks to **Paul Anton**, **Andrew Aravanis** and **Roy Ellis** who are sponsors for the **Police Awards event on 25 October**. More sponsors are welcome and assistance from members with the raffle prizes would be appreciated.

Director **Arie Pappas** - **World Polio Day Monday 24 October**. Ride the train for "End Polio". Join in at Strathfield train station to raise awareness, money, have fun and fellowship. Arie will confirm time for gathering. Train arrival time at Strathfield is 8:18am.

Director **Rick Vosila** – **2 November is "Hat Day"** at the club. Lifting the Lid on Mental Illness. Australian Rotary Health is raising funds to support mental health and monies raised that evening will go towards mental health research.

Guest speaker **Mark Reeve**.

PP Arie Pappas thanking guest speaker **Mark Reeve**.

Gulian Vaccari always finds interesting topics for his "Sergeant's Session". This week testing every-ones' knowledge of Australian Prime Ministers.

A get well message to **PP Keith Byrn** who has recently been in hospital but home now.

One of the highlights this meeting was a visit to the Golf Pro shop on the ground level at the Strathfield Golf Club. I think even the non-golfers (Bulletin Editor included) were impressed with the three electronic practice driving ranges within the Pro Shop.
