Club news

Welcome to **Mrs. Pauline Hamilton-Kane**, visiting from England and staying with her son President Elect **Nick Hamilton-Kane** and his family.

The District 9675 AGM will be held at the Bankstown Sports Club on 25 November.

District Governor **Janice Hall** and Club President **Andrew Aravanis** will be visiting the St Merkorious Charity on Monday 28 November to see their kitchen in South Strathfield where they prepare 12 thousand meals each month to feed the homeless and others in need. The purpose of the visit is to see how their Charity operates and how we, in Rotary, can be of assistance.

PP **Usha Garg** will be contacting members for the BBQ roster for the Carols in the Park event on 3 December.

Dinesh Garg was recently awarded a Community Service Award from Strathfield Council for his 20 years of volunteer service as a Justice of the Peace.

Rotarian **Bradley Ayres** advised that the Executive Committee members had been selected for the Meriden Interact Club. Bradley also said that the school Citizenship Awards program is progressing well, thanks to those Rotarians who have already volunteered to assist and attend the schools.

PP **Keith Byrn** announced that Rotary Christmas cakes and puddings are available. Contact Keith byrn1@bigpond.com if you are interested in purchasing either or both.
