WHAT DO WE DO?

COMMUNITY SERVICE

We engage in projects and fundraising, helping some of those most in need in the community. Some of our recent initiatives include helping local food banks, raising funds for a school for children with disabilities and supporting various indigenous projects.

INTERNATIONAL SERVICE

Working with overseas Rotary Clubs, we organise funding for international projects and humanitarian causes. These have recently included projects in Sri Lanka and Columbia as well as support for Rotary International's global projects such as the eradication of polio.

YOUTH SERVICE

We sponsor and promote numerous projects and initiatives for young people including various Rotary youth programmes such as RYPEN (Rotary Youth Programme of Enrichment), RYLA (Rotary Youth Leadership Awards) and support Interact Clubs at Homebush Boys Public School and Meriden School. We also organise the local Youth Achievement Awards, recognising young people for their outstanding commitment.

WHAT DO WE DO?

VOCATIONAL SERVICE

We foster business connections between members and with the wider business community, promote various vocational initiatives, and organise the annual Police Officer of the Year Awards and Vocational Excellence Awards recognising exceptional service in the local area.

CLUB SERVICE

Our Club is centred around an active social calendar. We meet weekly at Strathfield Golf Club where we are addressed by a range of fascinating and motivating speakers. We organise regular social events throughout the year, raising awareness of and funds for our various service initiatives. Over the years we have organised various highly successful, dinners, cultural events and balls.
