### APRIL IS MAGAZINE MONTH

---

#### President's Piece

Hello Fellows

There are two major community events coming up, both in May, which we as Rotarians need to be involved in.

The first one is our community "Bike the Park" event on 2 May, which is not only a community activity but also a fund raiser. Based on the amount of work being done so far by a small band of members this event is going to be a great success.

The second one is the Salvation Army Red Shield Appeal. A major component of the Salvation Army's fundraising drive is the national doorknock, which will take place on Sunday 23 May this year. The funds raised by the Salvation Army through this appeal help to finance their vast network of social and community services.

Don't forget we will be having an ANZAC Day breakfast and memorial service at Cape Cabarita this weekend (Sunday 25 April). This year generously organized by Peter & Anne Manenti who will appreciate any assistance for cooking and other duties.

Contributions to the Rotary Foundation Annual Giving Program as a member of the District 9690 Centurion Club is a great way to support the efforts of Rotary International in the fulfillment of the Object of Rotary, Rotary's mission, and the achievement of World understanding and peace through local, national and international humanitarian, educational and cultural programs. It is your opportunity as an individual Rotarian to help.

Have a good week.  
President Keith

### A PP.Ray McCluskie joke!!

Some Rotarians were in deep and meaningful discussion over a few beers at fellowship after a recent club meeting, and Sal says “When you are in your coffin and family and friends are mourning, what would you like them to say about you?”

Euan says, “I’d like them to say that I was a great doctor and a great family man.”

Allan says, “I’d like to hear them say that I was a wonderful husband and school teacher who made a huge difference in our children.”

Bob says, “I’d like to hear them say, ‘look! He’s moving!’”
