*Service Above Self*

*" To serve is to live  
To live is to serve"*

**Editor's Note:**

When I asked P.P. Maurie Moroney to write a brief history of the Rotary Club of Strathfield little did I realise what chain of events I had set in motion. Maurie set about gathering information and editing it to a readable form with a tenacity and dedication second to none. A great debt of gratitude is owed to Maurie for his efforts in compiling the material for this book.

It is said that from a little acorn a mighty oak will grow. Maybe one day an oak in the form of a detailed history of the Club may spring from this little acorn. All those photos that are taken and never seen may surface and memories may be recalled and written down so that all may share in the rich heritage that is the Rotary Club of Strathfield inc..
